

LIGHTNING

The word "LIGHTNING" is rendered in a bold, italicized, orange font with a thick black outline. The letter 'L' is significantly larger than the others. The 'I' and 'N' are also stylized with white vertical stripes. A lightning bolt, colored orange with a black outline, extends from the bottom of the 'G' towards the right. Two wooden sticks are positioned around the text: one is above the 'I' and 'N', and the other is below the 'L' and 'I', featuring black bands.
